R.A.M.P.S. ANNOUNCES LAUNCH OF WEBSITE TO SUPPORT CLUBS

Richmond, Virginia April 18, 2008 - "It's an exciting step forward in our effort to support area R.A.M.P.S. clubs." announces Susan Revere, Executive Director of R.A.M.P.S. "Over the past few months, it became apparent to us that in order to support our existing clubs, and support developing clubs, a website would be a wonderful way to do so efficiently and effectively," she said. The website also provides an opportunity for relatives who live out of the student's immediate area to get an insight into the level of community involvement of each student. The site supports the organizations efforts by providing a method of donation for anyone interested in supporting our community efforts to help the financially needy elderly and disabled in the Richmond area.

ABOUT R.A.M.P.S.

R.A.M.P.S. (*Ramp Access Made Possible by Students*) is a non-profit 501 (c) (3) community service organization that offers and provides students the opportunity to help the less fortunate by paying for and assembling modular wheelchair ramps for those people who are in need and have qualified for financial assistance.

R.A.M.P.S. was started in 2005 by Richmond's Collegiate High School juniors, Gray Fain, Mike Dowd, and Coleman Wortham, as a school challenge to contribute to their community through charitable projects. Since that date, RAMPS, has built and installed over 50 ramps in the Richmond and Farmville areas.
